

# EVERY DAY IS A NEW OPPORTUNITY

## ESTRELLA™

A community isn't something you find, it's something you create – for you, your family, and the people you want to surround yourself with.

At Estrella, we take a resident-first approach when it comes to creating a sense of community. It's up to you and your neighbors to decide the types of gatherings, activities, and events that best suit your life. By design, the picture of what it means to come together looks different for every Estrella resident.

65+ Miles of Trails

Ballet Under the Stars

On a smaller scale, dozens of fun and interest-based groups and clubs meet regularly in Estrella, each keeping their doors wide open for new members. From active fitness, running, and hiking club groups to art-centered meetups for photography and painting, every Estrella resident is bound to find plenty of ways to engage.

## LIFE IN ESTRELLA IS ALWAYS FULL

Community-wide seasonal events, Independence Day fireworks, farmers markets, and cultural experiences such as Goodyear Lakeside Music Festival and Ballet Under the Stars, showcase the family-friendly, welcoming appeal for which Estrella is well-known. For even more fun, just down the hill are Goodyear events, gatherings, and farmers markets.

MAP MAY NOT BE TO SCALE. Estrella North LLC ("Estrella North") is the developer of the Estrella Community ("Community"). Homebuilders unaffiliated with Estrella North ("Homebuilders") or their affiliates are building homes within the Community. Estrella North and its affiliates are collectively referred to as the "Released Parties". The Released Parties are not co-developing, co-building, guarantors of, or otherwise responsible for, nor shall they incur any liability as a result of, any of the obligations or representations made to buyers by any Homebuilder or other third-party. Estrella North's responsibility with respect to the Community is limited to the development of certain selected infrastructure improvements (e.g., roads, sewer, etc.) and such obligations run solely to Homebuilders and other persons buying real property directly from Estrella North. Buyers of homes and Homebuilders waive, to the fullest extent allowed under the law, any and all rights, claims, causes of action and other rights whatsoever against the Released Parties arising out of their purchase of a home or services, respectively, in the Community from Homebuilders or any other third-party. If Homebuilders seek to qualify real property located in the Community for offering and sale in those states where prior qualification is required before such interests in out-of-state real property may be offered for sale or lease to its residents, then it is the obligation of such Homebuilders, and not the Released Parties, to comply with any and all federal or state land sales laws and to distribute all required disclosures, including but not limited to, disclaimers and reports to prospective purchasers prior to or at execution of a contract of sale for real estate. Any prices, sketches, renderings, and specifications contained herein are proposed only and subject, without notice, to change or withdrawal at any time. EQUAL HOUSING OPPORTUNITY.
